

The Fire Drill

	<p>We have fire drills in our area.</p>
	<p>We need to do fire drills to practice for what we need to do if there was a real fire.</p>
	<p>Fire drills are not real fires.</p>
	<p>When the alarm sounds, I must get up and leave, and listen to staff.</p>
	<p>This is to keep me and others safe.</p>
