

STAYING SAFE ONLINE

POSITIVES, RISKS, AND BUILDING AWARENESS.

Wednesday April 17th | 10:00 - 12:00 IST

The HSE National Safeguarding Office in collaboration with the Disability Federation of Ireland and the National Federation of Voluntary Service Providers are presenting a webinar on staying safe online for those involved in supporting individuals in organisations and services. Having an online life presents many opportunities and challenges. Join us to discuss how we can support people in this ever changing environment to stay safe online.

Daragh Kennedy, National Safeguarding Manager, Irish Wheelchair Association, will be joined in discussion by Detective Superintendent Ian Lackey from An Garda Síochána, who will talk about cyber-crime prevention and prosecution. We will talk about support and education initiatives with Dean Maloney from Rehabcare. Dr. Esther Murphy from TCD will talk about DIGI ID training as well as Eibhlin McNamara from Spun Out to talk about available resources.
